

Welcome to our Christmas newsletter! This season is one of the best of the entire year!

There is so much to see and do here in
Madrid: Christmas market and lights,
nativity scenes (called Belen in Spanish),
ice rinks in the Retiro park and shopping!

We have had considerable success in 2012.

Not only we had a record number of new students
at our Spanish academy but we have entered new
international markets.

We took part in the Fedele Road Show and visited
Warsaw, Krakow, Bratislava and Vienna.

After Europe, we were off to Houston, Texas to
attend the annual Nafsa education expo for the
first time sharing the stand with international
institutions.

We signed academic agreements with Sochi State
University in RUSSIA.

NEW IN 2012-2013: Our Spanish Course in the Countryside

Those courses has been especially designed for those who need an intensive language course to take hold of the language at a quicker pace than normal. The course consists of 6 hours of class per day as well as 4 hours of social activities with the teacher. This includes excursions to nearby towns and villages, country walks, visits to other places of interest as well as trips to other cities and towns in Spain.

Mealtimes are also spent in the presence of the teacher, going to restaurants, ordering food and having conversations giving the student an immense advantage and a complete learning experience.

The course is designed to meet the specific needs of the student. There are two basic options. The first is the Business executive option where the groups are small, from 1 to 3 people. The students stay in luxury accommodation and have the teacher at their disposal the whole day. The second is the option for larger groups of students and young people. This includes intensive language classes as well as activities, games etc. all under the guidance of the teacher and all in Spanish.

We encourage you to join us this year! Registrations are still open! Once again at Paraninfo everything is arranged to give you all the resources to learn a new language and make your stay unforgettable!

HAPPY CHRISTMAS TO EVERYBODY!
